Company profile

COMPANY OVERVIEW

Who We Are

Urban Builders Group is a professional construction company based in Kenya, specializing in residential, commercial, and industrial construction services. Our team is passionate about delivering projects that combine strength, functionality, and modern design.

Over the years, we have built a reputation for professionalism, transparency, and customer satisfaction. Whether it is a family home, office block, renovation project, or industrial facility, we approach every project with the same commitment to quality and excellence.

We understand that construction is more than just buildings — it is about creating environments where families live, businesses grow, and communities thrive.

Why Clients Choose Us

- Skilled and experienced construction professionals

WHY CHOOSE URBAN BUILDERS GROUP?

Professional Expertise

Our skilled engineers, project managers, and construction teams bring experience and professionalism to every project.

Quality Construction

We use durable materials and modern construction methods to ensure long-lasting results.

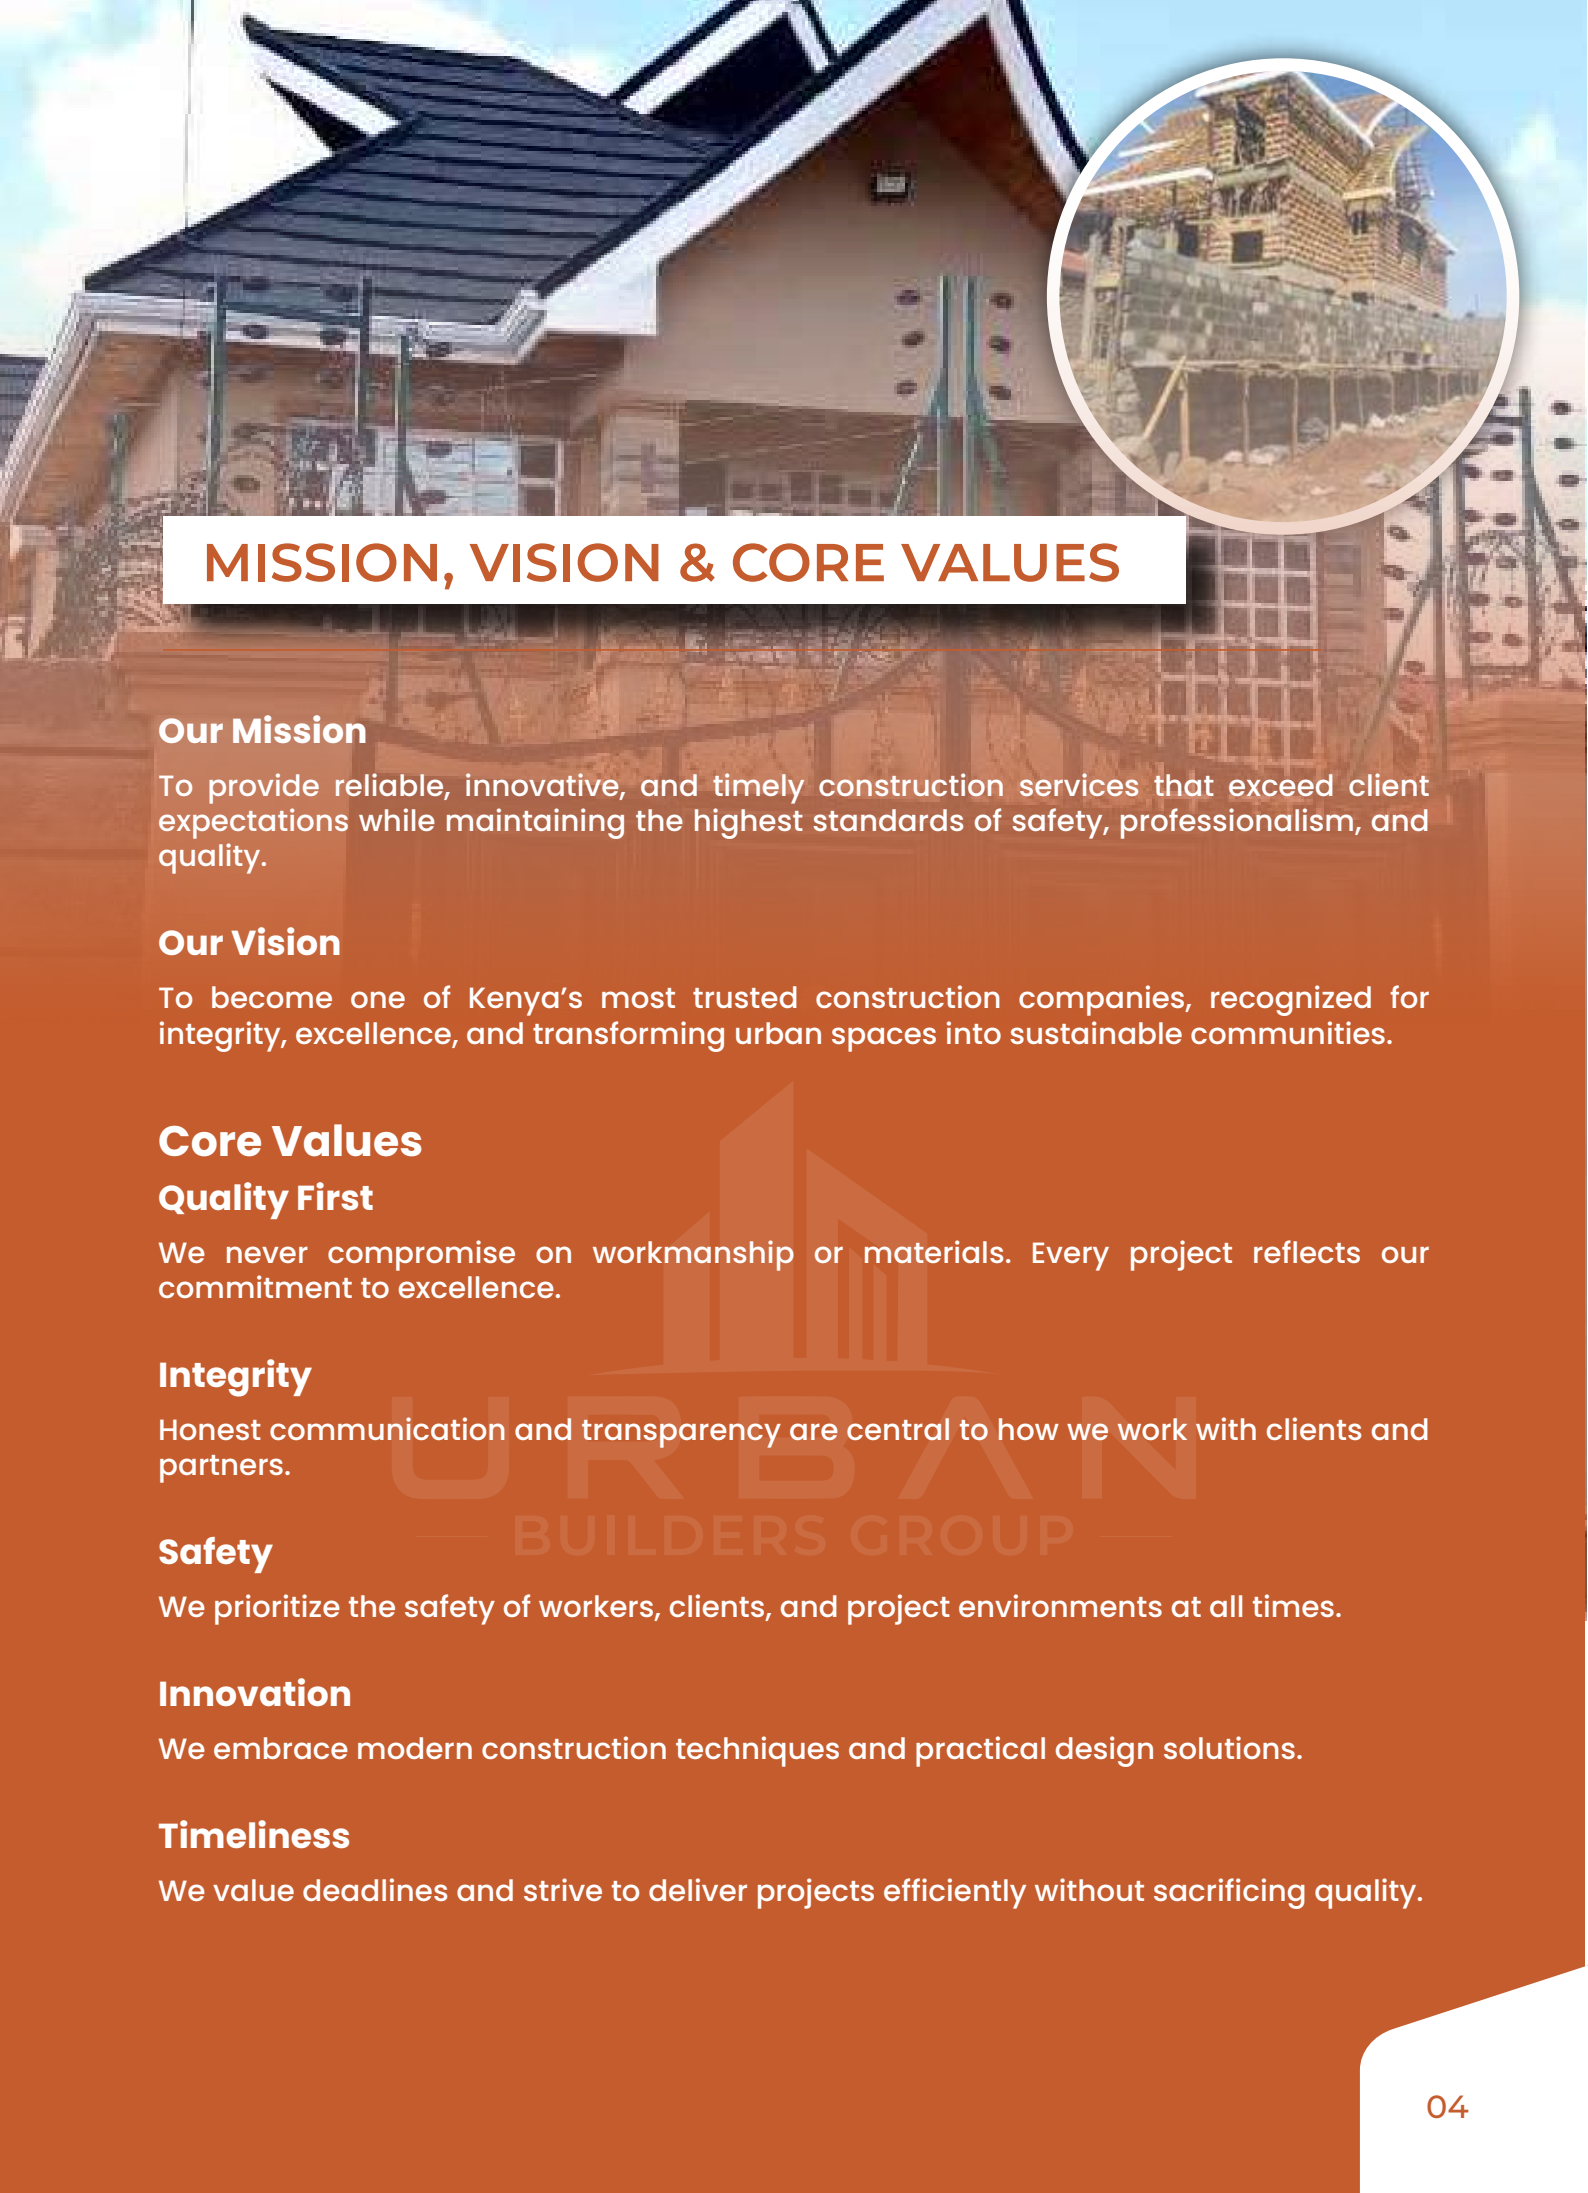

Client-Focused Approach

We believe strong communication and collaboration create successful projects.

Reliable Delivery

We work hard to complete projects within agreed timelines while maintaining quality standards.

MISSION, VISION & CORE VALUES

Our Mission

To provide reliable, innovative, and timely construction services that exceed client expectations while maintaining the highest standards of safety, professionalism, and quality.

Our Vision

To become one of Kenya's most trusted construction companies, recognized for integrity, excellence, and transforming urban spaces into sustainable communities.

Core Values

Quality First

We never compromise on workmanship or materials. Every project reflects our commitment to excellence.

Integrity

Honest communication and transparency are central to how we work with clients and partners.

Safety

We prioritize the safety of workers, clients, and project environments at all times.

Innovation

We embrace modern construction techniques and practical design solutions.

Timeliness

We value deadlines and strive to deliver projects efficiently without sacrificing quality.

PERSONNEL EXPERIENCE

Subcontractors

At Urban Builders Group, we view our subcontractors and suppliers as valued construction partners. We believe that strong partnerships contribute directly to the success of every project we undertake. Our role as a construction company is not only to deliver quality projects, but also to work collaboratively with all stakeholders to ensure projects are completed efficiently, safely, and within agreed timelines.

We maintain proactive communication, teamwork, and problem-solving throughout every stage of construction to ensure smooth project execution and long-term professional relationships.

Employees

Personal philosophy

At Urban Builders Group, we recognize the important role our employees play in achieving the company's goals and maintaining our reputation for excellence. Our objective is to attract, develop, and retain talented and qualified professionals across all departments of the organization.

We believe that investing in people creates stronger teams, better performance, and successful projects.

We are an equal opportunity employer

Urban Builders Group is committed to fair and equal treatment of all employees and team members. We provide opportunities for growth, professional development, and rewarding careers regardless of race, religion, gender, age, or background.

Our employees are one of our greatest assets, and we are committed to creating a positive, respectful, and professional working environment.

Our team

Urban Builders Group is made up of skilled and experienced professionals who support our operations across various construction projects throughout Kenya. Our workforce includes civil engineers, project managers, site supervisors, technicians, quantity surveyors, architects, accountants, and skilled construction personnel.

Our team thrives in a dynamic work environment that encourages professionalism,

OUR SERVICES

Construction Services

Urban Builders Group provides a wide range of professional construction services designed to meet residential, commercial, and industrial needs.

Residential Construction

We build modern homes, apartments, and residential developments tailored to different lifestyles and budgets.

Commercial Construction

We construct office buildings, retail shops, business premises, and commercial spaces designed for growth and functionality.

Renovations & Remodeling

We transform old or damaged spaces into modern, efficient, and visually appealing environments.

Perimeter Walls & Fencing

Secure and professionally finished walls and fencing solutions for homes and businesses.
